What we're looking for

SAP MM Consultant

Role Overview:

We are seeking a skilled and experienced **SAP MM (Materials Management) Consultant** to join our team and play a key role in our **SAP S/4HANA transformation journey**. The ideal candidate will have a strong background in SAP MM, with hands-on experience in **data migration, configuration, and implementation** of SAP solutions in procurement and materials management. This role also requires strong **customer engagement** and **stakeholder management** capabilities to ensure alignment between SAP solutions and evolving business needs.

Responsibilities

- **SAP MM Data Migration:** Lead and support data migration activities from **SAP ECC to SAP S/4HANA**, with deep knowledge of MM-related tables, data structures, and tools such as **SAP Migration Cockpit** and **LTMC**.
- **SAP MM Configuration:** Configure and implement SAP MM solutions in the **S/4HANA environment**, ensuring efficient support for procurement, inventory management, and supply chain processes.
- **Implementation Support:** Act as a lead or support consultant during SAP MM implementation and rollout projects, including **S/4HANA greenfield or brownfield deployments**.
- **Troubleshooting and Support:** Provide post-implementation support, resolve functional and technical issues, and implement enhancements to meet changing business requirements.
- **Cross-Module Integration:** Ensure seamless integration of SAP MM with other modules such as **SAP SD, WM, PP, and FI/CO**, especially in the context of S/4HANA's simplified data model.
- **Customization:** Customize SAP MM to meet specific business needs related to material master data, procurement workflows, stock management, and vendor collaboration.
- **Customer Engagement:** Collaborate closely with business users to understand requirements, provide expert guidance, and deliver solutions that align with operational goals.
- **Stakeholder Management:** Engage with internal and external stakeholders, including procurement teams, IT leadership, and implementation partners, to ensure project alignment and success.
- **Documentation:** Prepare and maintain comprehensive documentation including functional specifications, process flows, and user manuals tailored to S/4HANA.
- **System Testing:** Conduct unit testing, integration testing, and user acceptance testing (UAT) to validate SAP MM configurations and migrated data.
- **Continuous Improvement:** Identify opportunities for process optimization and innovation using **S/4HANA capabilities** such as **Fiori apps, MRP Live, and Advanced Procurement**.

Qualifications

- Bachelor's degree in Supply Chain Management, Business Administration, Information Technology, or a related field. SAP MM certification is preferred.
- Minimum of 6 years of experience as an SAP MM Consultant, including at least three full-cycle **SAP S/4HANA migrations or implementations**.
- Proven expertise in SAP MM configuration, data migration, and support.

DATA. TRANSFORMATION. EXPERIENCE.

- Strong understanding of procurement, inventory management, purchase order processing, and vendor management in SAP.
- Experience working in cross-functional teams and collaborating with other SAP consultants.
- Relevant industry experience.
- Excellent problem-solving skills and the ability to troubleshoot and resolve SAP MM issues effectively.
- Strong communication and interpersonal skills, with the ability to engage both technical and business stakeholders.
- Experience managing small SAP projects or workstreams, with the ability to prioritize and meet deadlines.
- Familiarity with **SAP WM or SD modules** and experience in **global SAP rollouts** across multi-country/multi-currency environments.

What's in it for you

As a member of the **SNP Australia team**, you'll gain access to industry-leading training and development opportunities designed to expand and evolve your skillset. You'll work with our **class-leading software and proprietary methodology** in the field of **selective data transfer**, a transformative approach that is reshaping the way enterprises manage SAP migrations and transformations. This is your chance to be part of a forward-thinking team that values innovation, collaboration, and continuous learning in a dynamic and supportive environment.

- Competitive salary and company bonus scheme
- Mobile Allowance
- 20 days annual leave
- 5 days family day leave
- Flexible Benefits
- Hybrid working model where you enjoy the flexibility of working both remotely and in the office
